QC MECHANICAL INSPECTOR

OBJECTIVE

To work in Quality Assurance/ Quality Control Department in the field of Mechanical, Non-Destructive Testing (NDT), Calibration and Overall Technical Support with more than 14 years of work experience in a well reputed and developed organization

EDUCATIONAL QUALIFICATION:

Passed out SSLC through Mukkulathur Higher Secondary School, Trichy-India on Year 2007

TECHNICAL QUALIFICATION:

Diploma in Instrumentation and Control Engineering

Name of the Institute	:	Srinivasa Polytechnic College, Pudukkottai.
Year of Passing	:	2007 – 2010
Percentage obtained	:	76%

ADDITIONAL QUALIFICATION & CERTIFICATION:

1.Certified as ASNT NDT Level – II in the following methods:

- ☐ Liquid Penetrant Testing
- ☐ Magnetic Particle Testing
- ☐ Ultrasonic Testing
- ☐ Radiographic Testing
- ☐ Visual Testing

2.QMS Lead Auditor ISO 9001:2015 (Certificate No. TVEQ10212785)

COMPUTER PROFICIENCY:

- ☐ Computer Hardware, MS-Office, well knowledge of using internet, email and internally Developed software.

WORK EXPERIENCE:

COMPANY : AL BASSAMI STEEL INDUSTRIES, JEDDAH-21458, KSA.
PERIOD : FROM OCTOBER 2021 TO TILL DATE
DESIGNATION : QC MECHANICAL INSPECTOR

Duties and Responsibilities:

- ☐ Review all applicable codes, standards and specifications prior to start of project.
- ☐ Review and start the work as per approved Inspection Test Plan
- ☐ Conduct materials receiving inspection of piping materials and plates, Tubes, channels, Beams and Angles,)
- ☐ Raw material traceability and witness of mill stamp transferring.
- ☐ Check the Raw material traceability, Mill test certificates (MTC) & Inspection of received materials and prepare visual and dimensional inspection report
- ☐ Visual and Dimensional fit-up inspection.
- ☐ Check Orientation and Mark# fit-up inspection as per drawing at the factory
- ☐ Prepare the Dimensional inspection report for fit-up.
- ☐ Final Weld visual inspection (Ex. welding defects found and marked)
- ☐ Conduct the Finishing inspection)
- ☐ Final Dimensional and weld Visual inspection as per RFI date Assets the Client / TPI inspection.
- ☐ Dispatch inspection reviewed and checked the packing list, delivery Note as per Delivery Procedure will be conduct the final inspection.

Major Projects Handled:

JAFURAH GAS PLANT EXPANSION GAS PROCESSING FACILITIES PROJECT (CLIENT- L&T HYDROCARBON SAUDI COMPANY) STRUCTURAL STEELS HANDRAILS, LADDERS,SAFETY GATE & GRATINGS FIT-UP,DIMENSION & FINISHING QC INSPECTIOR.

HASBAH 68/71 PDM AND ASSOCIATED FACILITIES) OFFSHORE PROJECT (CLIENT-L&T ENERGY HYDROCARBON/SAUDI ARAMCO) (PLATFORM GRATINGS & STAIR TREADS) FIT-UP TO FINISHING INSPECTION & GALVANAIZING INSPECTION.

SHOAIBA 3 INDEPENDENT WATER PROJECT (CLIENT-BRANCH OF DOSSAN ENERBILITY CO LTD) PIPE RACK STRUCTURE, H BEAMS PIPE SUPPORTS, GUIDE ANGLES, GUIDE PLATES, U-STRAP, FLANGE TYPE PIPE SUPPORT, V-CLAMP FIT-UP TO FINISHING INSPECTIOR

YANBU 4 INDEPENDENT WATER PROJECT (CLIENT-DOSSAN HEAVY INDUSTRIES & CONSTRUCTION) PIPE SUPPORTS, H BEAMS PIPE SUPPORTS, GUIDE ANGLES, GUIDE PLATES, U-STRAP, FLANGE TYPE PIPE SUPPORT, V-CLAMP FIT-UP TO FINISHING INSPECTOR.

MARJAN INCREMENT PROGRAM(MIP)PKG-04 OFFSHORE GAS FACILITIES (CLIENT-MCDERMOTT/SAUDI ARAMCO) MARJAN PROJECT (PLATFORM GRATINGS & STAIR TREADS) FIT-UP TO FINISHING INSPECTION & GALVANIZING INSPECTION.

- ☐ **NAVAL BASE @ JEDDAH STEEL TOWER 4MTR.**
- ☐ Screen support structure (king Abdullah Road-Jeddah KSA) Client Specialized lines.
- ☐ Rabigh Power plant tank-3 (distilled Water Storage tank Roof upside Gratings and Stair Treads)
- ☐ Neom project Rafter and Columns & Supports inspection Client-AI Magaharabi factory for metal products / Neom),
- ☐ Red Sea development Hotel 11 projects Heavy Beams structure

COMPANY : **HIDADA COMPANY LIMITED, JEDDAH-21463, KSA**
PERIOD : **FROM NOV 2014 TO SEP 2021**
DESIGNATION : **QC MECHANICAL INSPECTOR**

Duties and Responsibilities:

- ☐ Review all applicable codes, standards and specifications prior to start of project.
- ☐ Review and start the work as per approved Inspection Test Plan
- ☐ Conduct materials receiving inspection of piping materials and storage tank materials (pre-fabricated plates, nozzles, accessories, instruments etc.,)
- ☐ Raw material traceability and witness of mill stamp transferring.
- ☐ Check the Raw material traceability, Mill test certificates (MTC) & Inspection of received materials and prepare visual and dimensional inspection report
- ☐ Inspect tank foundation and levelness before bottom plate layout (annular & floor plate).
- ☐ Lay-up of annular and bottom plate inspection for storage tanks
- ☐ Check Orientation and fit-up as per drawing
- ☐ Preparation of heat number map for bottom, shell and roof plates

- ☐ Monitor welding activities, conduct weld visual inspection
- ☐ Preparation of welder identification map
- ☐ Conduct DPT, Vacuum Box Test, Leak Test, Pneumatic Test
- ☐ Report to Supervisor for any identified potential non-conformance or any work defects occurring systematically
- ☐ Preparation of inspection reports, maintain inspection and test status and data book
- ☐ Checking the location and orientation of the shell and roof nozzle marking (before cutting the nozzle)
- ☐ Conduct the penetrant oil test (POT)
- ☐ Checking the tank over all plumbness (first to last shell course)
- ☐ Checking peaking and banding as per API-650 / API-620 tolerance
- ☐ Checking the above the hydro test liquid level penetrant oil test (POT)
- ☐ Checking the tank roundness as per API 650 / 620 tolerance.
- ☐ NDT coordination with third party and prepare RT request and arrange marking
- ☐ Prepare the tank punch list as per drawings before hydro test activities.
- ☐ Visual and final dimensional inspection of shell plate, bottom plate, & roof plates.
- ☐ Inspection of tank appurtenances installation.
- ☐ Hydrostatic pressure test of heater coil assembly.
- ☐ Final visual inspection of tank prior to hydro test
- ☐ Check of reading tank settlement after hydro test
- ☐ Internal bottom elevation measurements (before and after hydro test)
- ☐ Final documentation preparation (dossier)

Major Projects Handled:

- ☐ Petro Rabigh (Rabigh Refining and Petro-chemical Company)-EPC
Package of Storage Tank, Pipe line, E&I and Civil activities
Worked as a QC Mechanical inspector from June 2020 to 2021
- ☐ MA'ADEN (UMM WU'AL PHOSPHATE Project) – EPC Package of
Storage Tank, Pipeline, E&I and civil activities
Client - Saudi Arabian Mining Company, Turiaf- KSA,
Worked as a QC Mechanical inspector from June 2017 to May 2020

- Waad Al-Shamal Project – Erection of Storage Tanks – 15 Nos
Client - ABENGOA/ GE & Saudi Electricity Company, Turiaf- KSA,
Worked as a QC Mechanical Inspector from Dec-2015 to May 2017
- Jazan port & city infrastructural projects (Client-Hanwha/Saudi Aramco) Aramco
Approved. (Calibration Inspector)
- Riyadh PP-14 Power Plant Project (Saudi Electricity Company)
(Calibration Inspector) Clients- Sepco-iii & Saudi Electricity Company
- Shuqaiq Steam Power Plant Stage-1Project, (Calibration Inspector),
Clients- Poyry & Saudi Electricity Company
- Hitachi inspire the next Jazan Refinery and Marine Terminal Project
(EPC-13). Aramco Approved, (Calibration Inspector) Clients- Hitachi & Saudi Aramco
- Petro Rabigh Site Phase-II (Client-Petrofec) Aramco Approved, Calibration Inspector)

COMPANY : M/s GB ENGINEERING ENTERPRISES PVT. LTD., TRICHY- INDIA
PERIOD : FROM DEC 2010 TO NOV 2014
DESIGNATION : QUALITY INSPECTOR / QA LAB SUPERVISOR

Duties and Responsibilities:

1. Remarkable ability to work in various ranges of test equipment.
2. Strong ability to work independently.
3. Designated to perform calibration works (specifically for welding machines / welding ovens / pressure gauges / Vernier calipers / micrometers / dial gauges / voltmeter / ammeter / temperature recorder, etc.).
4. Identified customer equipment capability and reliability by conducting performance and operational testing.
5. Excellent communication and writing skills.
6. Disassemble and reassembles instruments and equipment, using hand tools, and inspects instruments and equipment for defects.
7. Maintaining primary intrinsic calibration standards (including ASME and ASTM standards).

8. Collecting, compiling, measuring, summarizing, and recording calibration data.
 9. Identifying and correcting measurement errors as necessary.
 10. Drafting calibration reports and certificates
 11. Interacting with other technicians, account managers, customer service representatives, and customers
 12. Working with latest calibration equipment's and following standards to achieve precision in measurement
 13. Worked with production and engineering departments and ensure customer satisfaction
 14. Ensuring all the equipment are calibrated on a periodic basis
-
- ☐ CHEMICAL FIELD: I am handling the Portable Spectrometer XRay model to identify / segregate the material specification.
 - ☐ GB Eng. Ware house Plates, Pipes, Flanges, Material segregate inspection for PMI (Positive Material identification) Checking.
 - ☐ MECHANICAL TESTING FIELD: Testing Knowledge of UTM, Impact, Vickers & Rockwell Hardness Testing as per ASME & ASTM standards.

ON-JOB TRAINING KNOWLEDGE:

- ☐ Got awareness training on Mechanical Testing at IIM, Trichy Chapter, Kailasapuram, Trichy (BHEL) and at Blue Star Limited, Chennai, India
- ☐ Undergone awareness training on Chemical Testing (Spectrometer OES) at IIM, Trichy Chapter, Kailasapuram, Trichy, India.
- ☐ Trained with SPECTRO – X-sort (PMI) equipment through M/s. Ametek India Instruments Pvt. Ltd., Coimbatore, India.
- ☐ Actively attended the “Awareness session of ISO IEC 17025: 2005 & Measurement uncertainty session of Linear, Pressure, Electrical & Thermal parameters” at G.B. Central Laboratory, Trichy, India.
- ☐ Training on Master load bank-(Master load-750) using for Welding machine Calibration. The Lincoln Electric Company (Saudi Arabia)

PERSONAL PROFILE:

Father Name : V. ASHARAF ALI
Date of Birth : 13.08.1991
Sex : Male
Religion : Muslim
Nationality : Indian
Marital Status : Married
Languages Known : English, Tamil, Hindi, Malayalam & Arabic
Passport No : T16011960
Driving License : Till Valid (India & Saudi Arabia)

DECLARATION

I hereby declare the above information are true to the best of my knowledge And
