Profile

Professional working experience with 12 years as Quality Control/Quality Assurance Engineer in the field of steel & Auto sector. Technically sound in Quality Control/Assurance activities, Metallurgical testing, and heat treatment. Highly Efficient communication Skills, Self-motivated and able to work independently.

Core Competencies

- QA/QC Requirements
- Material Testing
- Welding
- Inspection
- Validation/Planning
- Heat Treatment
- NDT Level II (VT, RT, UT, PT, MPT)
- ISO 45001: 2018
- ISO/IEC 17025:2005 & 2017
- R&D (Testing and complain handling)
- Documentation
- Calibration Activities
- Training
- Complaint handling

Work Experience

TI Automotive Fluid Systems (Bundy India Limited)
Sr. Engineer

Oct'17 till Present
Vadodara, India

Bundy India Limited is a Manufacturer of Copper/Poly Propylene/PVF coated Single and double wall Brake and Fuel Tubes for fluid carrying systems in auto sector.

- Responsible for managing the ISO/IEC 17025:2017 NABL accredited Laboratory.
- Responsible for managing the ISO 45001: 2018
- Performing supplier audits
- Ensuring and maintaining the QMS.
- Handling complaints and resolving at customers end
- Preparing Validation plan for the customers like Fiat Chrysler, MG Motors, Yapp, Kautex Textron, Renault, Suzuki Motors Gujarat, Toyota, TATA, Mahindra, GM (General Motors), Nissan, Atul Shakti, Ford and Volkswagen.
- Customer Complain handling.
- Well versed with Codes/Specifications and providing the test criteria, confirming the availability of tests slots.
- Performing various Mechanical tests like Tensile test, Bending test, Coiling test, Bend Shear test, Fitting Pull off test, Pressure test such as Burst and Hydro test, Corrosion tests such as Cyclic Corrosion Test and Salt spray test, Operating Metallurgical microscope to check the coating thickness and verifying the Nature/Structure of the steel, thermal mapping of furnaces, Reliability tests.
- Operating Instruments like digital Height Gauge, Profile projector, Contour Measuring machine, molding, cutting and polishing machine, CMM (Co-ordinate measuring machine).
- Test Report preparation and concluding the test results as per specifications.
- Maintaining of both In-house and Out-side calibration activities.
- Providing cost to customers before testing and preparing time plan of various tests.
- Maintaining test record register.

- Preparing Work instructions and process in the laboratory.
- Doing Kaizens and maintaining 5S in the Laboratory.
- Maintaining sample storage and Retention period.
- Purchase order monitoring and taking approvals for CAPEX. (Special requirements)
- Provides training to engineers working in laboratory related to Operating the equipment and sample preparation for testing.
- Providing technical Support related to Quality, Complaints and Development engineering.

Project Work:

- As a Quality Engineer, Validated the installation of New Mektel Line
 - ❖ Duration: 15 days
 - ❖ Aim: To access the failure of the tube in tensile test (Reduction of % Elongation, Aging effect).
 - ❖ Conclusion: There is aging effect on these tubes and % Elongation. Elongation of the tubes will decrease day by day due to aging of the material; one more factor examined that reduction of elongation takes place due to stress developed at bending process.

Neo Impex Stainless Pvt. Ltd.
QA/QC Engineer

Sep'15 to Sep'17
Vadodara, India

NEO IMPEX STAINLESS PVT.LTD is one of the market leaders in manufacturing of Stainless Steel, Carbon Steel, Alloy Steel-Pipe Fittings, Forged Fittings & Flanges, as Well as Suppliers of Pipes, Tubes, Sheet, Rod and other Ferrous & Non-Ferrous Industrial Raw Materials.

- Inspection of Raw material. (Visual & Dimensional, verification of mill test certificates against applicable code's specification.)
- Identification of raw material under third party inspection agency.
- To study detail requirement of client from P.O. & Technical Specification with a view of Quality fulfillment.
- Carry out inspection as indicated in Quality Assurance Plan (QAP).
- Visual & Dimensional check the products as per standard. Co-operating & Offering the fittings to various third-party inspection agencies like EIL, LRS, TUVINDIA, BVIS, DNV, PDIL, and IRS Etc...
- Documentation (Approving Manufacturing Test Certificates).
- Maintaining all kinds of CALIBRATION DATA.
- Handling Manpower and ability to distribute the work to assistant Employees.
- Heat treatment and graph Interpretation according to Specifications

Gujarat Infrapipes Pvt. Ltd.
QA/QC Engineer
Lab HOD

Jul'12 to Aug'15
Vadodara, India

GUJARAT INFRAPIPES PVT.LTD. Is one of the market leaders in manufacturing of Elbow, Tee, Reducer (Eccentric & Concentric), Caps, Stub End, Bends in Stainless Steel, Carbon Steel and Alloy Steel fittings.

- Inspection of Raw material. (Visual & Dimensional, verification of mill test certificates against applicable code's specification.)
- Identification of raw material under third party inspection agency.
- To study detail requirement of client from P.O. & Technical Specification with a view of Quality fulfillment.
- Carry out inspection as indicated in Quality Assurance Plan (QAP) like set-up, welding, heat treatment and dimension, follows all steps of QAP. Knowledge of WPS/PQR and preparing the test piece to take the welder approval.

- Performing destructive & non-destructive TESTS according to QAP/PO/Technical specification. Like IMPACT, HARDNESS, CHEMICAL, PMI, DP, IGC TESTS.
- Visual & Dimensional check the products as per standard. Co-operating & Offering the fittings to various third-party inspection agencies like EIL, LRS, TUVINDIA, BVIS, DNV, PDIL, and IRS Etc...
- Documentation (Approving Manufacturing Test Certificates).
- Maintaining all kinds of CALIBRATION DATA.
- Handling Manpower and ability to distribute the work to assistant Employees working in testing Laboratory.
- As a Lab HOD, Performed Destructive as well as non-Destructive tests and conclude the results whether they meet ASTM/ASME standards.
- Heat treatment and graph Interpretation according to Specifications

EDUCATION QUALIFICATION:

Qualification	Name of the Institute	Board	Score	Year of Passing
B.E. Metallurgy Engg.	Indus Institute of technology & Engineering	GTU, Gujarat	7.39 CGPA	2012
H.S.C.	Urmi School	G.H.S.E.B	65.20%	2008
S.S.C.	Urmi School	G.H.S.E.B	67.57%	2006

PROFESSIONAL COURSES:

- ISO/IEC 17025:2005 & ISO/IEC 17025:2017
- ISO 45001 Internal Auditor Course

PERSONAL PROFILE:

Date of Birth : 05th November, 1989
Sex : Male
Marital Status : Married
Languages Known : English, Hindi, and Gujarati
Hobbies : Playing all sorts of sports
Personal Skills : High Team spirit, Team player & Motivational Capabilities, Excellent communication skills.
Passport No : L2653364

DECLARATION:

I hereby declare that the above written particulars are true and correct to the best of my knowledge and belief.
