Education

Malviya National Institute of Technology

Bachelor's of Technology in Metallurgical and Materials Science

2021 – 2025

Grade - 8.37

Colonel's Brightland Public School

Senior Secondary (Class XII)

89.4%

St. Merry School

Secondary (Class X)

89.3%

Summary

Inquisitive, energetic, self-motivated and optimistic person with good organizational skills. Proficient in ensuring efficient project management and collaborative problem-solving.

Projects

Fabrication and Evolution of Corrosion and Mechanical Behavior of Electro deposits Ternary Alloy Coating

- Corrosion testing was done in 3.5% NaCl medium under room temperature condition.
- Observed that **corrosion resistance of alloy is better than copper substrate** which is due to formation of passive oxide.
- Ni-Ag-Mo has better Tribological properties due to presence of solid lubricant action.

Casting of Aluminium and its alloy to compare properties | *Casting, Aluminium Alloys*

- Conducted micro structural investigation, compositional analysis, and X-ray diffraction to study the crystalline features, elemental composition, and phase structure of cast pure aluminum and aluminum-silicon alloy.
- Performed density, hardness, and tensile strength measurements for pure aluminum and the aluminum-silicon alloy.
- Compared the durability and performance of cast pure aluminum with that of the aluminum-silicon alloy.

Credit Card Risk Analysis | *Python, Machine Learning*

GitHub

- Created a loan prediction machine leaning model
- Used a randomized search to find the optimal set of parameter and apt classifier
- Used precision-recall curves and learning curves to assess the model performance.
- Rectified the case of over fitting in the model and **achieved an accuracy of 92% on the test set.**

Technical Skills

Material Characterization: Microstructural analysis, XRD, Mechanical testing, Corrosion testing

Technical Skills: Python, Numpy, Matplotlib, MySQL, Excel

Developer Tools: Microsoft Office Suite (MS Word, MS PowerPoint), Power Bi, Tableau

Other Skills: Presentation, Time Management, Statistics, Report Making, Leadership, Team Work, Communication Skills

Extracurricular

Mavericks Club | *Executive*

August 2022 - Present

- Lead the press club team at various moments and conducted various college events throughout academic years.
- Part of the designing and decor team for the club.

Technical Society | *Member*

August 2022 - Present

- Participated and helped in organising various college level events throughout the academic year for the club.
- Member of data science club.

Branch Sports Team | *Team Member*

January 2023 - Present

- Represented the college chess team in various inter-college competitions.
- Member of Branch chess and table tennis team.

Achievements

- Got selected in **Micron Global Women Mentorship Program** out of 1,000 Students.
- 5-Star rated on Hacker-rank in SQL.
- Won 2016 inter school current-affairs quiz competition.
