

BADER ALMATRAFI

MECHANICAL ENGINEER

📞 0558585162 ✉️ Bader.matrafi@outlook.com 📍 Saudi Arabia  <https://www.linkedin.com/in/brm2>

SUMMARY

Recent Mechanical Engineering graduate from KFUPM with a solid academic background and internship experience at Saudi Aramco, contributing to consulting projects on static equipment and thermal systems. Skilled in solving problems under pressure and contributing to team success with clear and professional communication. Ready to apply technical expertise in practical settings and support high-impact engineering projects that improve reliability and efficiency.

EDUCATION

Bachelor of Science in Applied Mechanical Engineering
King Fahd University of Petroleum & Minerals - Dhahran, Saudi Arabia (Sep 2019 - May 2025)

GRADUATION PROJECT

Designed and tested a shell and tube heat exchanger integrating ultrasonic waves and micro-particles to reduce fouling, gaining valuable hands-on experience in thermal system design, performance analysis, and prototype development.

EXPERIENCE

Internship Training - Saudi Aramco, Consulting Services Department - (Sep 2024 - Dec 2024)

- Supported troubleshooting and reliability evaluation of static equipment and thermal systems.
- Assisted in design reviews, root cause analysis, and maintenance planning.
- Applied engineering standards (ASME/API) to evaluate equipment performance and improvements.

VOLUNTEER WORK

Public Relations Committee Lead – Volunteering Unit, KFUPM (Sep 2024 - Jun 2025)

- Led PR efforts for two major campus initiatives, coordinating teams and external communication.

Volunteer – AlBer Charity Office Al & Majdouie Company (Apr 2023)

- Assisted in donor coordination and event support, improving communication and teamwork skills.

Team Leader – Remote Housing Project, Amman, Jordan (Apr 2018)

- Supervised a volunteer team building homes for low-income families.

COURSES & CERTIFICATIONS

Technical & Personal Development Certificates:

- Introduction to CFD using ANSYS Fluent - KFUPM (2025)
- Industrial Safety & Oil & Gas – KFUPM (2024)
- English Summer Schools (Oxford 2017, Manchester 2024)
- Workplace Etiquette – Misk (2024), Al Fozan Academy (2023), Aramco summer enrichment program (2019)

SKILLS

SolidWorks	Microsoft Office	Troubleshooting	Problem Solving
AutoCAD	Heat Exchangers	Critical Thinking	Teamwork
