Professional summary

With over 5 years of experience as a Quality Control (QC) Inspector, I possess a solid background in conducting inspections and ensuring adherence to quality control processes. I have hands-on expertise in the manufacturing of stamped pressure vessels, and I have contributed to both shutdown and turnaround projects in India and the GCC countries. My professional goal is to transition into a consultancy role within the oil and gas industry, where I can leverage my skills and experience to provide valuable insights and solutions.
