

Curriculum Vitae

Muhammad Shaan

Mail Address: H-30/16, F C Area Liaqatabad Karachi.

E-mail: shaan.muhammadcp@gmail.com

Contact Details: 092-300-8201237,

1. **WORKING EXPERIENCE:**

- Pipe to soil Potential Survey (On /Off)
- Pipeline Current Mapper (PCM) Survey
- Line Location Survey of Transmission & Distribution lines
- Installation of CP Test Post.
- Field Surveys for Design of New CP System like Soil Resistivity, Geonics Survey Current Drain Survey, Natural Potential surveys, Selection of ground bed and CP Station location.
- Fabrication and Installation of Current Control Panel (Negative Distribution Board and Anode Junction Boxes).
- Carried out **1000** Kms (ECDA) survey consisting of the following surveys.
- Pipeline Current mapping survey (PCM)
- Direct Current Voltage Gradient Survey (DCVG)
- Close Interval Potential Survey using Gx Data Logger MC Miller Survey meters (CIPS) using MCM Data-logger and GPS synchronized current Interrupters.
- As build Drawing
- I have used GPS meters of various types.(GARMIN & NOMAD)
- Installation of Impressed Current Ground Beds; Horizontal, Shallow Vertical, Distributed, Deepwell Anodes Beds.
- Inspection & Maintenance of Cathodic Protection Station
- Installation of Magnesium Anodes.
- Installation of Anode Flex Tanks Bottom.
- Generating of Fields reports
- TEGs units installation operating and maintenance.
- Installation of C.P System at wells and Storage Tanks, Underground Vessels and Plant piping.
- Practical knowledge of operation of basic Electrical meters.
- Practical knowledge of electrical connections and termination.
- Worked on Transformer Rectifier Unit and have good knowledge of its operation.
- Worked on Anode Junction Box and Current Control Box and have good knowledge of its connection, termination and operation.

EMPLOYMENT HISTORY:

Nuricon Petro services (Pte.) Ltd. (NPSL) Karachi, 2011 to date.

Working as Corrosion Technologist since 2011 on Cathodic Protection system Designing, Installations, and monitoring, surveying and field reports generating jobs. Have worked in various parts of Pakistan in Gas & Oil field. Have worked on various projects of OGDCL Kunnar, Qadir Pur, UCH Power Plant, UEPL-Naimat Kauser ENGRO Polymer , ENGRO Vopak, PPL, OMV- (Sawan-Kadanwari), SSGC, CPGCL (Guddo Thermal Power Plant) ,MPCL,POGC- Polish Oil & Gas Company

PARCO, Byco Petroleum, PRL, NRL, ARL, Shell Terminal and PSO Plants & Oil/Gas Fields. Fully aware of Oil & gas industry environment and HSE rules.

ACADEMIC QUALIFICATION:

- **Diploma of Associate Engineer (Electrical) 2006-2008**
Govt. Saifee Eide Zahbi Institute of Technology.
- **BSCS , Computer Science**
Federal Urdu University of Arts Science & Technology, Karachi –FUUAST

COMPUTER SKILLS:

AutoCAD, Microsoft SQL Server. CIT, Microsoft MS office.

HOBBIES.

Travelling, Listening Music, Internet Surfing, Badminton & Cricket.
