

ZAINUL ABID MOOCHIKKOOTTATHIL

Kerala-India | Location: Saudi Arabia-Dammam
Mob: +966561660886 | Email: abidmk786@gmail.com
Iqama: Transferable | Position: Accountant

Professional Summary

Results-oriented Accountant with over 12 years of extensive experience, including 3.5 years of dedicated expertise in the Saudi Arabian market, proven track record in navigating the full spectrum of Zakat, Tax and Customs Authority (ZATCA) regulations, with hands-on experience in VAT compliance and integration. Strategic leader adept at managing multi-million SAR budgets, leading complex financial audits, and optimizing internal controls to drive organizational growth in KSA.

Core Competencies

Financial Reporting and Audit: Manage the full accounting cycle through to finalization, including the preparation of year-end schedules and comprehensive audit files.

Cash Management: Construct accurate Cash Flow Statement and perform monthly reconciliations for bank accounts, Head Office branches, debtors and creditors.

Tax and Regulatory Compliance: Ensure strict adherence to KSA ZATCA regulations, including VAT filing, Income Tax and Zakat requirements.

Internal Controls: Monitor and review accounting system reports to ensure data integrity, prepare month-end adjustment journals and analyze financial information for accurate entry.

Operational Accounting: Maintain rigorous purchase, sales and stock registers while managing payroll processing and asset/liability tracking.

Database Management: Develop and maintain structured financial databases and filing systems to streamline information retrieval.

Costing and Analysis: Develop and maintain detailed costing models to support management decision-making and profitability analysis.
