Summary

Results-driven Technical Sales & Solutions Engineer with expertise in Non-Destructive Testing (NDT), material sciences, and business development. Proven success in increasing sales revenue and client retention across oil & gas, aerospace, energy, and defense sectors. UT Level II certified with hands-on experience in advanced NDT techniques and strong technical sales acumen. Adept at bridging the gap between technical expertise and business needs, providing tailored solutions to enhance customer satisfaction and sales growth. Seeking to contribute my expertise to a dynamic US-based organization.

Work Experience

Technical Sales & Solutions Engineer

Eddies Engineering & Solutions Pvt. Ltd. Lahore.

(May 2024 – Present)

- Spearheaded business development efforts in oil & gas, energy, aerospace, and defense, \$200,000+ in revenue annually.
