

MUHAMMAD AYOUB

(Coating Crew Supervisor)

CONTACT No: +966 593579179

IQAMA NUMBER: 2616040495

EMAIL ID: ayoub.khan6970@gmail.com

FATHER'S NAME: MUHAMMAD YAQOOB

DATE OF BIRTH: 02-March-1994

NATIONALITY: PAKISTANI

RELIGION: ISLAM

PASSPORT NO: AH1194171

Academic Qualification:

- Master in chemistry 2017
- Graduation 2015

Computer Skills:

- MS Office
- Internet Application

Professional Certifications/Training:

BGAS-SWIP Coating Inspector Grade-II, TWI-UK

-
- # BG: 0000797493
 - Certificate No: 613190

Total Experience:

A highly dedicated and quality-driven Coating Inspector with over 5 years of experience in Oil & Gas facilities, refineries, and chemical plants. Demonstrates strong leadership in promoting a quality-focused culture within the organization and driving continuous improvement in coating and painting operations. Certified Coating Inspector Level 2 (TWI – UK) with sound knowledge of international codes and standards, including ISO, SSPC, and NACE guidelines. Experienced in all key aspects of protective coating systems, including surface preparation, abrasive blasting, cleanliness verification, surface profile and contamination checks prior to coating, as well as in process inspections such as wet film thickness (WFT) and dry film thickness (DFT) measurements. Proficient in monitoring environmental conditions, conducting post-coating tests like adhesion and holiday detection, and ensuring compliance with project specifications and client requirements. Strong communication, documentation, and coordination skills with a proactive approach to achieving high-quality outcomes in every stage of the coating process.

Areas of Expertise/Work Responsibilities:

Organization:

1. Hind Mehdi Al-Jassas Est. February 2022 to January 2024.
2. General Agencies and Contracting. **March 2024 to August 2025**

Position: Crew Coating Supervisor (July 2020 – August 2021)

Key Responsibilities as Crew Supervisor:

- Supervise all surface preparation and coating application activities, including abrasive blasting, painting, and final coating inspections.
- Ensure proper preparation and arrangement of painting tools and equipment prior to commencing jobs.
- Oversee the arrangement and assembly of blasting tool fittings and ensure all equipment is in working order and within calibration dates.

- Manage calibration of pressure gauges and other blasting equipment in line with project and safety requirements.
- Coordinate with third-party agencies for testing and inspection of blasting and painting equipment to ensure readiness and compliance.
- Arrange and manage the availability of blasting and painting consumables such as garnet and grit to prevent any work delays.
- Conduct pre-coating inspections to verify surface cleanliness, correct surface profile, and absence of contaminants before painting.
- Monitor and record environmental parameters before and during coating activities, including temperature, humidity, dew point, and surface temperature.
- Inspect wet film thickness (WFT) and dry film thickness (DFT) to ensure compliance with client and manufacturer specifications.
- Perform post-application tests, including adhesion testing and holiday detection, to confirm coating integrity and performance.
- Oversee proper spool marking and ensure transfer of spool information to log sheets before and after coating.
- Ensure proper storage, mixing, application, and curing of coating materials as per the manufacturer's technical data sheets (TDS).
- Maintain detailed records, inspection reports, and quality logs for traceability and audits.
- Communicate effectively with clients, third-party inspectors, and internal departments to resolve quality concerns and ensure workflow efficiency.
- Enforce compliance with HSE (Health, Safety & Environmental) standards during all coating and blasting operations.
- Guide, supervise, and train coating crew to ensure high workmanship and adherence to safety and quality protocols.
- Lead and train coating crews to maintain high standards of quality and safety.
- Act as the focal point for coating audits and third-party inspections.
- Promote and maintain a strong quality and safety culture across all coating-related activities in alignment with project specifications and international standards.
- Assist in planning and scheduling of coating activities to align with overall project timelines.

Professional Experience Letter

To Whom It May Concern

This is to certify that **Mr. Muhammad Ayoub** was employed with **Hind Mehdi Al Jassas Est.** as a **Coating Crew Supervisor** from **February 2022** to **January 2024**.

During his tenure with us, **Mr. Muhammad Ayoub** was responsible for a wide range of activities, including Supervising and managing all Coating tasks at the site, ensuring that all coating activities are carried out according to the design specifications, quality standards, and safety regulations. Coordinating with various teams including consultants, contractors, and subcontractors to ensure the smooth progress of the project.

Mr. Muhammad Ayoub has demonstrated exceptional dedication, technical knowledge, and leadership skills throughout his time with us. His proactive approach to problem-solving and ability to work under pressure were commendable. He consistently maintained high standards of professionalism and exhibited strong work ethics.

We wish him all the best in his future endeavors.

Project Manager: Mr. Sajid Bashir

Dear Certificate Holder

Congratulations on passing your CSWIP examination. I have pleasure in enclosing herewith your Certificates and Identity Card. I hope that your new certification will stand you in good stead in the years ahead.

It seems a long way off, but please note that to renew your certificate you will be required to submit verified evidence of work experience and your professional development, during the period from your initial exam to the certificate expiry date. TWI Certification Ltd offers a log book in which you can keep this information, thus making the renewal process much easier for you. TWI Certification Ltd also offers candidates a self-inking rubber stamp, also a pocket stamp to be used to publicly demonstrate your level of certification(s) on relevant documentation, and as a special offer you can purchase both together for a discounted price as shown on the enclosed form. I have enclosed an application form for these items.

If you have any queries, please see www.cswip.com

Yours sincerely
