-
- ❖ **English:** Proficient
 - ❖ **Arabic:** Native language

Skills & Interests

Technical: HTML, CSS, JavaScript and Typescript , Tailwind , VS code, GitHub, Microsoft Office, Project Management

Language: Really good in English, Arabic and I just started leaning French.

Interests: I like reading English self help books, cause I'm always interested in improving myself, I'm also interested in understanding the business world and it's hierarchy.
