

SALMAN UR RASHEED

Nationality: Pakistan

Date of birth: 15/01/1998

Xi'an Shaanxi, China

Phone No: 0086-13227717017

Email: salmanrasheed@mail.nwpu.edu.cn

EDUCATION:

Masters in Materials Science

School of Material Science and Engineering

(2022-2025-03)

Northwestern Polytechnical University (西北工业大学) Xi'an, China

Result: 79%

Bachelors in Metallurgical

(2017-2021-08)

and Materials Engineering

University of Engineering and Technology Lahore, Pakistan

CGPA 2.97/4.0 (74%)

High School Secondary Certificate

(2014-2016)

Excellent Model College Timergara, District Dir Lower, Pakistan

Pre-Engineering

Result: 78%

High School Matric Certificate

(2012-2014)

Air Foundation School System Timergara, District Dir Lower, Pakistan

Science

Result: 84%

RESEARCH INTERESTS:

Polymers, Ceramics, Composites, Coatings/Surface engineering, Nanotechnology, Nuclear Materials, Advanced Materials.

RESEARCH EXPERIENCE:

(2019-2021)

Title: Corrosion properties of 3LP coated pipeline in comparison to conventional asphalt coated pipelines for natural gas transmission.

Supervisor: Prof Dr. Ehasn Ul Haq, School of Metallurgical and Materials Engineering UET, Lahore.

Project 2:

(2019-2021)

Title: Making super hydrophobic fumed silica using PTFE coatings.

Supervisor: Prof Dr. Ehasn Ul Haq School of Metallurgical and Materials Engineering UET, Lahore.

Masters Project:

(2022-2024)

Theoretical Investigation of Catalytic Mechanism of CO Oxidation on Ag-Pd Single Atom Alloy Catalysts.

Supervisor: Fuyi Chen, School of Material Science and Engineering NPU Xi'an China.

PROFESSIONAL EXPERIENCE:

- | | |
|--|------|
| (1) Internee Engineer at InspecTest Private Limited. | 2019 |
| (2) Internee Engineer at Pakistan Council of Scientific Research (PCSIR) | 2020 |
| (3) One year Experience in R&D department Mughal Steel limited Lahore | 2021 |

INDUSTRIAL VISITS:

- One day visit to Heavy Mechanical complex.
- One day visit to Atlas Honda Pakistan Limited.
- One day Visit to Qadri Group of Foundries.
- LONGI Xi'an

KEY SKILLS

Research Skills: Capacity to conduct independent research, problem Solving attitude, effective team work skills and ability to conceptualize problems.

Computer Skills: MATERIALS STUDIO, VASP, VESTA, ADOBE PHOTOSHOP, SOLID WORKS, ABAQUS, MS OFFICE.

HONORS AND AWARDS:

- Received fully Funded Chinese Government Scholarship (CSC) in Masters.
- Nominated student on Provincial Government scholarship for BS engineering
- Registered Engineering degree with OBE (Objective based education system) USA.
- Scholarship awarded by **Diya** Pakistan.
- Position holder in class and class representative.
- 1st position holder in IQ test in whole campus.
- International conference on green and sustainable sciences.
- One day seminar on UGRAD program.
- One day seminar on CPEC.
- Social Media Marketing Specialist sixth months course from Institute of Business Administration (**IBA**).
- 6 Months Chinese Language course.
- 6 Months Microsoft Excel Course from U academy.
- HSK 3

LANGUAGES:

- English (Full professional efficiency)
- Urdu (fluent)
- Pashto (fluent).
- Punjabi (fluent)
- Chinese (Basic)

COMMUNITY INVOLEMENT:

- Registered engineer, Pakistan engineering council.
- Registered engineer, institute of engineers Pakistan.
- Registered engineer with higher education commission Pakistan.

REFRENCES:

- **Professor Dr. Ehsan Ul Haq**

Department of Metallurgical and Materials Engineering, University of Engineering and Technology Lahore Punjab, Pakistan.
