Grades without any points assignments are: "W"
Incomplete: "IP" stands for In Progress, "Df" stands for dropped subject.

When "WF" stands for Forced Withdrawal: "I" stands for Incomplete in case of transferred students, "Tr" stands for transferred subject.

2.0 Minimum Requirements: The minimum academic years in case of Engineering, Technology, Design, Business Administration and five years in case of Architectural Engineering was a five years degree.

The total minimum credit hours required for the award of Bachelor's degree is 130 in case of four academic year program and 162 for a five years program.

The total minimum credit hours required for the award of M.Sc/ M.Arch/ M. Phil degree is 30.

The total minimum credit hours required for the award of 16 years equivalent Masters degree of various denominations varies from 60 to 75 after a 14 years equivalent degree.

3.0 Academic Achievement Measure: Students' academic achievement in each semester is reflected by the Semester Grade Point Average (GPA) and the overall performance is reflected by the Cumulative Grade point Average (CGPA). Both out of a maximum of 4.00.

4.0 Subject Repeat Policy: Repeated subjects are shown with a (R) as suffix to the grade earned. In case of repetition of a subject, the new grade earned, whether high or low, replaces the previous grade in computation of CGPA. In case a student earns a "W" or "WF" grade in a subject being repeated, the previous grade earned in that subject will be retained in computation of CGPA and in assessing degree completion requirements.

5.0 Subject Classification: The word (Th) suffixed to a subject name represents Theory and (Pr) represents Practical on the transcript. Some subjects may not be suffixed implying Theory only. In some cases, the subject number with a suffix "N" would represent practical of the subject having the number without this suffix.

6.0 Bachelor's and 16 years Masters Degree Qualification Requirements: A minimum CGPA of 2.0 is required for the award of degree in the prescribed subject with no outstanding subject with a "W" grade and no "WF" grade.

8.0 CGPA and Percentage Equivalence: CGPA and Percentage systems are two different systems of assessment and equivalence as such can be specified. In CGPA system, grades reflect relative position of the student in the class while Percentage system is an absolute grading system reflecting actual marks earned in the examination.

9.0 Language of Instruction: The language of instruction at the University is English.
