PROFESSIONAL EXPERIENCE

1. Expeditor & Inspection Engineer (Freelancer), From Sept 2023 to till date
Applu India Private Ltd, LRQA, Fulkrum India, RINA India, Task Inspection, IEB Inspection, ProQc International, Eram International, GIS Inspection & KTI.
2. **Material Expeditor & Inspection Engineer (Contract Position), From Feb 2022 to August 2023**
L&T Energy Hydrocarbon (LTEH), Mumbai, Maharashtra, India.
(Saudi Aramco CRPOs# 88,89 and 90): 30 jackets project including engineering, procurement, construction, and installation for various new offshore jacket structures for the Safaniyah, Zuluf and Ribyan fields
3. **Material Expeditor & Inspection Consultant, From September 2020 to Dec 2021.**
REV OILFIELD AND INDUSTRIAL SUPPLIES LLC, Pune, Maharashtra, India.
Procurement and Inspection Consultancy Supply of Industrial Valves, Pipes, Flanges, Fittings, Industrial Gaskets & Fasteners, Valve Components, Other Instruments & Devices.
4. **Manager- Operations & SCM, From Nov 2015 to Aug 2020 (4.5 Years)**
ELEGANT CREATIONS (INDIA) PVT LTD, Mumbai, Maharashtra, India.
SPM, Hydraulic & Process Equipment's, Industrial Valves, Flanges & Oilfield Components.
5. **Manager Sourcing & SCM, From Jul 2012 to Oct 2015 (3.3 Years)**
CESARE-BONNETI INDIA PVT LTD. Vapi, Gujarat, India
Manufacturer of Industrial Valves like Ball, Gate, Globe & Piston, Check Valves
Procurement and expediting of valve components in India, China & European Countries with material Carbon Steel, Duplex Stainless-Steel, Stainless-Steel forgings & Castings required for Valves manufacturing.

6. **Material Expeditor & Inspection, From Mar 2008 to Jun 2012 (4 Years)**
HAWA VALVES INDIA PVT.LTD. Mumbai, Maharashtra, India
 Manufacturer of Industrial Valves like Ball, Gate, Globe & Check Valves.
 Procurement and expediting of valve components in India, China & European Countries with material Carbon Steel, Duplex Stainless-Steel, Stainless-Steel forgings & Castings required for Valves mfg.
7. **Asst. Manager - Purchase & Vendor Development, From Oct 2001 to Feb 2008 (6.5 Years)**
RELIABLE AUTOTECH PVT.LTD, Pune, Maharashtra, India
 Strategic vendor development and management. Sourcing and alternate sourcing of machined components, Sheet metal, Heavy fabrication, casting and forgings.
8. **Purchase & Vendor Development Engineer, From Oct 1998 to Sept 2001 (3 Years)**
 Manufacturer of QRC Couplings & Automatic Tire Changing Machines.
 Procurement and Vendor development of QRC Couplings & Automatic Tire Changing Machines
9. **Planning & Vendor Development Engineer, From July 1996 to Sept 1998 (2.3 Years)**
RATHI TRANSPOWER PVT LTD. Pune, Maharashtra, India
 Manufacturer of Couplings & Elastomeric Couplings.
 Procurement and Vendor development of Couplings & Elastomeric Couplings

INSPECTION EXPERIENCES

- PROJECT: 500 KTA PDH-PP GAIL USAR Propane Dehydrogeneration Unit (PD)/101. CLIENT: GAIL
 CONTRACTOR: Baker Hughes, MANUFACTURER: Enpro Industries Pvt Ltd, Equipment: Lube Oil System
- PROJECT: Numaligarh Refinery Limited. CLIENT: Thermax, MANUFACTURER: Ravi Industries, Equipment: Main Combustion Chamber.
- PROJECT: IEFCL3 Project, CLIENT: Ion Exchange India Ltd , MANUFACTURER: Crane Process flow tech Pvt. Ltd, Equipment: Diaphragm Valves
- PROJECT: EPCM for BAB & BU HASA AiP5 Off-Plot Facilities Project, CLIENT: ADNOC ONSHORE
 CONTRACTOR: China Petroleum Engineering & Construction Corporation, MANUFACTURER: Koso India Private Limited/ Western India Forgings Pvt Ltd, Equipment: Motorized Choke Valves
- PROJECT: Petrobras P82 FPSO Project, CLIENT: PETROBRAS, MANUFACTURER: P J Valves India Pvt Ltd, Equipment: On-Off Valves Hydraulic Actuators (Butterfly & Ball Valves)
- PROJECT: QUANG TRACH I THERMAL POWER PLANT, CLIENT: Hyundai Engineering. MANUFACTURER: Dynamic Trans System Pvt. Ltd Pvt. Ltd, Equipment: Structural Steel Fabrication.
- PROJECT: JB1115 & JB1116 African Commodities, MANUFACTURER: M/s Igema India Pvt Ltd, Equipment: Bi - Color Level Gauge, Client: ISGEC Heavy Engineering limited
- PROJECT: MP30 Gandhisagar Pumped storage Project, MANUFACTURER: Thyssenkrupp Industries India Pvt Ltd, Equipment: Draft Tube Cone (Large) #30, Client: Greenko MP01 IREP Private Limited

- PROJECT: NEW INTERNALS FOR GAS OIL SEPARATOR, MANUFACTURER: FINEPAC STRUCTURERS PVT LTD, Equipment: INTERNALS FOR GAS OIL SEPARATOR, Client: ADNOC OFFSHORE.
- PROJECT: SAKARYA GAS FIELD DEVELOPMENT PHASE-2A, MANUFACTURER: **Edwards India Pvt. Ltd.** Equipment: **LIQUID RING VACCUM PUMP / 35PX9013A/B**, Client: **CAMERON MIDDLE EAST FZE**
- Harvest Ammonia Project, / FERTIGLOBE / TECNIMONT, Involving stage wise inspection of HP Shell & Tube Heat Exchangers (Ammonia Converter Feed/ Effluent Exchangers, BFW Preheater) at M/s. Godrej & Boyce Ltd., Vikhroli, Mumbai, India.
- Tanagguh Expansion Project, Indonesia/ British Petroleum, Indonesia/SAIPEM, Involving stage wise inspection of Flare Package [Wet/ Dry/ Tankage Risers Flare (ID-4.5M X 20MM Thk X 80M Long), Thermal Oxidizer, Burner Assembly, Derrick Assemblies, Platform with Ladder, Utility piping, etc.] at M/s. Zeeco India P. Ltd. / Canaan Engineering P. Ltd. / , Palghar, India.
- Daleel-19-119- Fabrication and Supply of Chemical Injection Skids for Corrosion inhibitors, Oman/ Daleel Petroleum LLC, Oman/ Solid Earth Project LLC, Oman, Involving stage wise inspection of Corrosion Inhibitor Skids package, qty. - 4 nos. at M/s. Shree Satyanarayan Industrial Suppliers P. Ltd. (SSIS), Ambernath, Dist.-Thane, India.
- NSRP (Nghi Son Refinery & Petrochemical) Project, Vietnam/ JGC Corporation, Japan Involving stage wise inspection of Lube Oil Skid for CO Incinerator Package at M/s. Bijur Delimon P. Ltd., Pune, India.
- KNPC- MINA AL-AHMADI GT-5 Project, Kuwait/ KNPC / TR (Technicas Reunidas), Involving stage wise inspection of Cladded Pressure Vessels at M/s. Godrej & Boyce Engineering Company, Vikhroli, Mumbai, India.
- RAS Markaz Crude Oil Park (Phase I) Project/ Oman Tank Terminal Co, Oman/ China Petroleum Pipeline (CPP), Oman. Stage wise Inspection carried out for Hydroburst (Compressor) Package at M/s. Atlas Compco (India) Ltd., Pune, India.
- NSRP (Nghi Son Refinery & Petrochemical) Project, Vietnam/ JGC Corporation, Japan, Involving stage wise inspection of SS Lube Oil Cooler for CO Incinerator Package at M/s. Positrons Engineering Corporation, Belgaum, India.
- Betara Complex Development (BCD-4) Project/ PT. Meindo Indah, Jakarta Pusat. Stage wise Inspection carried out for Lube Oil Console Unit of Wet Gas Compressor at M/s. Enpro Industries P. Ltd., Pune, India.
- Farabi Normal Parafin and Derivatives Complex Project, KSA/ FARABI Yanbu Petrochemical Company / L&T Hydrocarbon Engineering, Involving stage wise inspection of Flare Package, Thermal Oxidizer, Burner Assembly, Utility piping, etc. at M/s. Zeeco India P. Ltd., Palghar, India.

- Farabi Normal Paraffin and Derivatives Complex Project, KSA/ FARABI Yanbu Petrochemical Company / L&T Hydrocarbon Engineering, Involving stage wise inspection of Desobent Heater & Flush Heater at M/s. Geecy Engineering P. Ltd., Mahape, Navi Mumbai, India.
- USGC Ethylene- 1594 Project/ CPCHEM, USA/ JGC Corporation, Japan. Stage wise Inspection carried out for Wet Air Oxidation Unit, Process Air Compressor Package at M/s. Burckhardt Compression (India) P. Ltd., Pune, India.
- BASF Black Diamond Project/ BASF Chemical Company, Belgium/ CB&I, Netherlands, Deputed for BASF Black Diamond Project for stage wise Inspection of various Column Internals, Trays, Packing, etc. for Propylene Column, Butadiene Column, Degasser, Rectifier, etc. at M/s. Sulzer India Ltd., Pune- India.
- SRC Clean Fuels Project/ Singapore Refining Co. Ltd., Singapore/ JGC, Japan, Stage wise Inspection for Column's Trays, Packing, Internals, etc. for HGO , Stripper Column at M/s. Sulzer India Ltd., Pune- India.
- SONATRACH-HMD South Satellite Revamping Project/ SONATRACH, Algeria/JGC, Algeria, Stage wise inspection carried out for API 610 Centrifugal Pumps at M/s. Sulzer Pumps Ltd., Navi Mumbai- India.
- SONATRACH- Hassi R'mel Boosting Phase III Project/ SONATRACH, Algeria/ JGC, Algeria Stage wise inspection carried out for API 610 Centrifugal Pumps at M/s. KSB Pumps Ltd., Pune & Satara- India.
- ASHUGANJ (South) 450 MW Combined Cycle Power Plant Project/ APSCL - Ashuganj Power Station Company Ltd., Bangladesh, Stage wise inspection carried out for Deaerator (Booster) Pumps at M/s. KSB Pumps Ltd., Pune- India.
- Reliance Group of Industries, Mumbai, India, Carrying out inspection of Storage tank, Pressure Vessel, Heat Exchangers, Pneumatic Conveying system, Columns, Separators, Pump, Valves, Pipes and Pipe Fittings for various projects of M/s. Reliance Industries- India.
- Betara Complex Development (BCD-4) Project/ PT. Meindo Indah, Jakarta Pusat. Stage wise Inspection carried out for Lube Oil Console Unit of Wet Gas Compressor at M/s. Enpro Industries Industries P. Ltd., Pune, India.
- ADNOC- EPC for the upgrade of Oil Export flow measurement in ADNOC Onshore filed to Fiscal Service quality Project/ ADNOC ONSHORE, UAE/ FORTUNE ENGINEERING & ENERGY SERVICES. UAE.carried out stage wise Inspection of DBB, DBB Plug, Ball, Gate, Globe & Butterfly, Control Valves for various sizes including TAT (Type Acceptance Test) at M/s. Hawa Valves P. Ltd., Navi-Mumbai,
- ADNOC- EPC for BAB 485 MBD Sustainable Facility Project/ ADNOC ONSHORE, ABU DHABI,UAE/ ARCHIRODON CONSTRUCTION (OVERSEAS) COMPANY LTD. carried out stage wise Inspection of Pressure Control Valves & Safety Relief Valves for various sizes at M/s. Nirmal Industrial Controls P. Ltd., Asangoan, Dist.Thane, Maharashtra, India.
- JORD- Marlim Field Development Project/ Jord Oil & Gas System/ FRAME MIDDLE EAST, carried out stage wise Inspection of 'V' Ball Valves with Scotch Yoke Actuator & Double Seated Globe Valve with Diaphragm Actuator for various sizes at M/s. Dembla Valves Ltd., Bhiwandi, Dist.-Thane, India
- PIDMCO-Utility & Off-site Plant of Shiraz 3rd Ammonia & Urea Complex Project/ PETROCHEMICAL INDUSTRIES DEVELOPMENT MANAGEMENT COMPANY (PIDMCO)/ HICO FZE, carried out stage wise Inspection of Control Valves & Steam Traps for various sizes at M/s. Forbes Marshal Pvt. Ltd, Pimpri & Chakan, Pune, India.
- ADNOC- EPC for M (SEEPAGE WATER TREATMENT PACKAGE) Project/ ADNOC, ABU DHABI, UAE/ SK ENGINEERING & CONSTRUCTION, carried out stage wise Inspection of DBB Floating Ball Valves for various sizes at M/s. ASTEC Valves & Fittings Pvt. Ltd., Vasai, Dist- Palghar, Maharashtra, India.
- BASF Black Diamond Project/ BASF Chemical Company, Belgium/ CB&I, Netherlands, Deputed for BASF Black Diamond Project for stage wise Inspection of various Column Internals, Trays, Packing, etc. for Propylene Column, Butadiene Column, Degasser, Rectifier, etc. at M/s. Sulzer India Ltd., Pune- India.
- RUF EPCC-3 Package for Visakh Refinery Modernization Project/ Baker Hughes, **Commodity:** Cooling Water Console at M/s. Enpro Industries Pvt. Ltd., Markal, Dist- Pune, Maharashtra, India. Expediting for client PO status with vendor procurement, execution of manufacturing end & up to dispatch status (8 Months)

- Siemens Industrial Energy Limited- 1x 67.5 MW - (Unit3) Project/ Siemens Limited, **Commodity: Galvanized cable trays with accessories/hardware** at M/s. Indiana Gratings Pvt. Ltd., Jejuri, Dist- Pune, Maharashtra, India. Expediting for client PO status with vendor procurement, execution of manufacturing end & up to dispatch status (6 Months)
- IOCL PANIPAT P25 RHC PROJECT) Project/ Baker Hughes, **Commodity: Seal System Plan** at M/s. EAGLEBURGMANN India Pvt. Ltd., Hadapsar, Dist- Pune, Maharashtra, India. Expediting for client PO status with vendor procurement, execution of manufacturing end & up to dispatch status (12 Months)
- **SAKARYA GAS FIELD DEVELOPMENT PHASE-2A) Project/ CAMERON SOLUTIONS INC., Commodity: LIQUID RING VACUUM PUMP / 35PX9013A/B** at M/s. Edwards India Pvt. Ltd., Chakan, Dist- Pune, Maharashtra, India. Expediting for client PO status with vendor procurement, execution of manufacturing end & up to dispatch status (06 Months)
- **PETROBRAS P82 FPSO Project/ PETROBRAS / Bloomfoss pte ltd , Commodity: SHUTDOWN VALVES - HYDRAULIC ACTUATOR** at M/s. **P J Valves Mfg. Pvt. Ltd.**, Bhosari, Dist- Pune, Maharashtra, India. Expediting for client PO status with vendor procurement, execution of manufacturing end & up to dispatch status (12 Months)
- **BC000800 ADNOC MERAM SGP Project/ SIEMENS, Commodity: Seal Gas Panel [SGP]** at M/s. Enpro Industries Pvt. Ltd., Markal, Dist- Pune, Maharashtra, India. Expediting for client PO status with vendor procurement, execution of manufacturing end & up to dispatch status (8 Months at present).

SKILLS AND STRENGTH

- Raw Material Inspection - All types of Raw material, Material Check-Chemical / mechanical property, Verification of SS material, Positive Material Identification,
- Valves Inspection - Hydro Shell Test, Hydro Seat Test, Pneumatic Seat Test, HP Gas Shell Test, Valve stem torque Testing, Gland Packing & pressure bolting torque testing, Antistatic Testing, Overall Dimensional Inspection. Visual inspection of & verification of nameplate, tag plate, & other applicable marking. Castings & Forgings Inspection - Oilfield components
- Pressure Vessels, Heat Exchangers & equipment Inspection Carried out NDT tests on static equipment and piping. Tests include penetrate examination (PT), Magnetic particle inspection (MPT), Ultrasonic Testing (UT). Radiography testing (RT), PMI and DFT of coating inspection.
- Witnessing & Monitoring of NDT (RT, PT, UT and MPT), PWHT and Hardness Test Reviewing all pipe lines. Internal inspection of Heat exchangers, vessels, columns, heaters, filters, gas dehydration unit's knockouts drums, Separators, reactors, Horton Sphere or Mountain Bullets & piping for various Petrochemical Industries & Refineries in India.
- Internal & External inspection of floating head type exchangers, U tube exchangers, Fixed tube exchangers, Fin fan exchangers, review of remote filed eddy current testing reports, baroscopic inspection of tubes, evaluating minimum allowable thickness, witness of hydro test on shell side and tube side, plugging of leaking tubes, review of WPS/WQT record.
- In process inspections like fit-ups, welding & NDT inspection, Dimensional Inspection, Hydrostatic Test, Pneumatic Test and Vacuum Test for various items like Dished Ends, Silos, Pressure Vessels, Process Tanks, Heat Exchangers and Piping components as per relevant codes & standards.
- Fit-up Inspections of the joints. Inspection of fabricated pipeline spools as per drawing.
- Reinstatement of Final Piping, Pre cleaning post cleaning hydro test pneumatic test of Heat Exchangers.
- Surveillance and witnessing of Daily Construction Activities as per ITP.
- Inspection of expansion bellows of reactor. Inspection of gaskets installation, pipe supports, valves installation and control valves prior to line re- Visual inspection / corrosion / failure pattern all types of refinery equipment necessary NDT for evaluation and provided short term and long-term solutions
- Witnessing Hydro testing of piping system and tanks and pressure vessel / drums, thermo wells and level gauge. Instatement as per the latest ISO.
- Spot check inspection for shut down inspection activities. Pre cleaning post cleaning and MPI of buffed Pressure Vessel weld seams. Review the weld heat treatment. Report making and report submission to the client.
- Pump & Dosing Skids Inspection - NDT Procedures, Hydro Test, Performance Test, Mechanical Run Test, Visual Inspection, Material Check-Chemical / mechanical property. Positive Material Identification, Rotor Dynamic Balancing, Hydrostatic Test of Casing, Performance Test & Extended run test for 4Hr with Shop motor, Check the Draining, drying & cleanliness after performance test, Surface Preparation & Painting Inspection, LPT of Weld runs & MPT for Lifting Lug welds, Hydrotest of complete package, Vibration Test with Job Motor, Noise test with Job Motor, Packing & Preservation Inspection & Weighing Activity.

- Seal System plan inspection - Material identification (Pipes & Tubes) Visual / Dimensional check & correlation with Test Certificate, Material identification (Flanges , Fittings & Strainer), Cooler (Cover plate & end plate), Liquid Penetrant Examination - All welded joints To check for Surface Defects of Final Weld Joints, Radiographic Examination for Butt Weld Joints, to check Soundness of Weld (Not applicable as all welds are SW), Instruments (PT,DPLT,LG,TG,PSV,DUPLEX FILTER, JB)/ Motor & Bought outs, Manual Valves (Gate ,Globe, Check, Needle), Hydro Static Test of Pipe spools 2500# & 300# (Loose) (w/o instruments), Hydro Static Test of Cooler Shell CV extended piping as applicable, Filled tank leak test at atmospheric pressure for 1 hrs, Dimension & Visual Check, Spare verification, Painting Inspection & Tagging verification of Ancillaries.
- Liquid ring Vacuum Pump Inspection, Seal Gas systems inspection, Actuated control valves inspection, Manifold & Level Gauges inspection, Hydraulic equipment & fittings Inspection, Structural pipe & welded pipe, flanges & fasteners Inspection, Structural steel & fabrication Inspection,
- Decaners Inspection - Visual Inspection, Assembly and Dimensional control, Characteristics checking's, Painting surfaces checking's, Stainless steel surfaces checking's, Performance Test - checking speed, overload safety, bearing temperatures, turning speed, set-up, noise and vibration.
- Inspection of various Column Internals, Trays, Packing - Pre Inspection meeting, NDT Examination, Material certificates review & tracability, internal oxygen cleaning check, Positive Material Identification, Visual Inspection and Dimensional check, Trail assembly check, Tag plate check, Supply completeness check & Packing & Preservation Inspection & Weighing Activity.

EQUIPMENT:

- Manual Valves including Ball Valves, GGC Valves, Butterfly Valves and Piston Valves, Actuators, Castings, Forgings, Patterns, Seamless Pipes, Flanges, Fittings, CS Plates, SMLS Structural Pipes, Welded Structural Pipes, Gaskets, Fasteners, Steel Structures / Panels/Frames, Dished End, Pressure Vessel, Couplings, Steel Gratings, Fixtures. Instruments Fittings, Valves, Sheet Metal Items, Dosing Skids, Hydraulic SPM's, Panels, Liquid ring Vacuum Pump, Piping Spools, Seal Gas system, Actuated control valves, Manifold & Level Gauges, Lube Oil systems, Column Internals, Seal System plan, Expediting & Internal Quality audits, Structural pipe & welded pipe, flanges & fasteners, Structural steel & fabrication Inspection, Pressure Vessels & equipment & Decaners Machines, Compressors.
