EDUCATION

Bachelor's Degree in Metallurgical and Materials Engineering

University of Engineering and Technology, Lahore, Pakistan (October 2019- May 2023)

WORK EXPERIENCE

Corrosion Engineer

Bureau Veritas, Islamabad, Pakistan (October 2023 - Present)

- Developed Corrosion Control Documents (CCDs) as part of Corrosion Management Program as per SAEP-88.
- Updated the existing CMP reports (O&M Phase) as per SAEP 88.
- Developed and marked Corrosion Loops on PFD's on the basis of service, material and insulation.
- Identification of applicable damage mechanisms as per API 571
- Strong technical knowledge of corrosion mechanisms, environmental assisted cracking, and high temperature damage mechanisms on common materials used in the Oil and Gas industry.
- Prepared and Marked Inventory groups on PFD's and P&ID's
- Participated in RCFA Investigations of ADNOC, Saudi Aramco and other clients.
- Performed Material Control Audit (MCA) of selected material according to service, pressure, temperature, applicable damage mechanisms and International Codes.

Internee Engineer

Pakistan Standards and Quality Control Authority, Lahore, Pakistan (June 2022 - July 2022)

- Experienced Standardized Destructive and Non-Destructive Testing
- Experienced Industrial Reports of UTM Tests, metallography etc.

Social Media Marketing Manager

Fashion Trendz, Lahore, Pakistan (May 2021- Continue)

- Negotiated and concluded with different clients resulting in increment of sales
- Performed product photography for attractive online marketing and designed posters for publicity

CERTIFICATION

- API 571 – Damage Mechanisms Affecting Fixed Equipment in the Refining Industry

PROJECTS

Synthesis and Characterization of Sustainable Cementless Construction Materials

Final Year Project, UET Lahore, Pakistan

- Researched different construction materials & scope of Geopolymer Cement as economical and greener alternative to OPC
- Interpreted the effect of composition and curing time on mechanical properties of geopolymer to determine the Optimal Production Conditions

Design of Piezo-Nanogenerator Based Sensors for Energy Harvesting from Pedestrians and Automotive

Runner-up Project for Engineering Innovation Award

Pakistan International Autoshow 2022 by PAPAAM, Expo Center, Lahore

- Fabrication of environment-friendly BF-BT nanoparticles/PMDS based Piezoelectric Nanogenerators and their use in energy harvesting from automobiles and pedestrians

VOLUNTEER EXPERIENCE

Blood Activism

Yaqoob Trust, Pakistan (September 2019-Continue)

- Exchanged ideas with different blood organizations for Blood Donation Awareness
- Experienced dealing different blood cases

Marketing and Resource Development

Shaukat Khanum Memorial Trust (16 Dec 2022-30 Dec 2022)

- Raised awareness and funds for SKH Karachi through posters on social media
- Raised awareness and funds in the local community by door-to-door campaigning.

Student Social Responsibility Program

- Raised awareness and organized fund-raising campaigns for Stationary Drive and Plastic-Free-UET Drive.

CO-CURRICULARS

Vice President

Society of Metallurgical and Materials Engineers (SOMAME), UET Lahore (April 2022- Continue)

- Handled proposals, applications, media postings and official presentations
- Organized a Departmental Quiz Competition, Metalympics'23 (Annual Sports Event), Autumn Festival Event and Culture Representation Day.

Co-director Research

Society of Metallurgical and Materials Engineers (SOMAME), UET Lahore (August 2021-April 2022)

- Trained Team Research of SOMAME for writing research articles and proposals.
- Introduced and Organized SCIMET Sessions and Research Quiz Series

SKILLS

Areas of Expertise	Corrosion Identification and Mitigation, Metallography, Mechanical Testing of Materials, Microscopy, Technical Writing, Graphic Designing, Communication and Presentation Skills.
Languages	Urdu, English

Digital Competence

MS Office	MATLAB	ABAQUS	SolidWorks
Proficient user	Proficient user	Beginner	Independent user

HONOURS AND AWARDS

- Certificate of Achievement for winning of All Pakistan National Quiz Competition METACOMP 1.0 held by SOMAME- UET
- Certificate of Runner up in Engineering Innovation Award by Pakistan International Autoshow 2022
- Co-Director of the Month Award, September 2021, from SOMAME-UET
- Member of the Month Award, April 2021, from SOMAME-UET Lahore
