

COVER LETTER

Dear Sir/Madam,

Hope you will be fine,

Currently I worked as a HVAC Site Engineer in Innovative Engineers HVAC PVT LTd.

I have worked on different projects,

Innovative Engineers HVAC Pvt ltd (FROM AUG-2022 TO PRESENT)

- Project – SIMS Hospital, Bhilwara, Rajasthan (on going VRV project)
- Project- Tatva Chintan Pharma Chem Ltd Vadodara.(VRV project)

Evercrest Projects pvt ltd From October 2020- July 2022.

- Project- Government Medical College and Hospital, Baramati, Pune.

I am keen to pursue a career in HVAC Project Industry. Because I enjoy how to face challenging work.

As you will notice on the attached CV, I graduated in Mechanical Engineering from AKTU University Lucknow.

I gained considerable experience of 3 Years in HVAC Projects and currently working with Innovative Engineers HVAC Pvt Ltd.

I can work well under pressure and enjoy working in a team. In addition, I speak English fluently. I look forward to hearing from you.

Yours sincerely

Naved Akhtar
