Operations Manager – NDT/WSS & TPI Division

Fugro Suhaimi Ltd., KSA

- Dynamic and performance-driven Operations Manager with a strong track record in leading and scaling business operations across Non-Destructive Testing (NDT), Mechanical Testing Laboratory, Welding Inspection Support and Third-Party Inspection (TPI) services in the Saudi Arabia market. Spearheading a team of over 60 technical and support professionals, managing day-to-day business functions, and driving operational excellence across multiple service verticals.
- Proficient in commercial strategy, bid preparation, tender submissions, and contract negotiations for both small and large-scale industrial projects. Experienced in drafting technical and commercial proposals, responding to RFQs/RFPs, and ensuring competitive positioning while maintaining alignment with client specifications and budgetary targets.

Key responsibilities include:

- Strategic Market Development: Evolving market segmentation, penetration, and growth strategies to expand service footprint in oil & gas, petrochemical, power, defense, and marine sectors.
- Customer Engagement: Interfacing with key clients and EPC contractors to deliver timely, cost-effective inspection and testing solutions while nurturing long-term business relationships and repeat engagements.
- Project & Operations Leadership: Overseeing planning, resource allocation, service delivery, and performance evaluation across business units, ensuring adherence to quality, HSE, and delivery standards.
- Financial & Commercial Oversight: Monitoring P&L, analyzing financial performance metrics, and implementing corrective actions to drive profitability and operational efficiency.
- Proposal & Tender Management: Leading the commercial proposal lifecycle from initial inquiry to submission, including scope definition, pricing, risk assessment, contract terms, and client negotiations.
- Cross-Functional Collaboration: Coordinating with Supply Chain, Technical, and QA/QC teams to ensure seamless execution and customer satisfaction.
- Business Expansion & Diversification: Identifying and capitalizing on new service lines and partnerships to diversify revenue streams and improve market competitiveness.
